

Samish Island Community Garden – Tastes of Greece and Gardener Gathering

Join us and partake in the benefits of your very own Community Garden

The excitement is building! You and your children can embark on the ground breaking developments for Samish Island's brand new community garden. This community garden offers excellent growing property, plantings, gardener companionship and organizational support.

Here are some of the benefits of joining the Samish Island community Garden.

1. You get freshest produce and herbs,
2. You receive a sense of community,
3. There is group satisfaction as projects progress
4. There is education for all from life time and university level master gardeners
5. You acquire health benefits through what you eat and your gardening actions
6. You reap social rewards of bonding with neighbors and all generations
7. Taste some knockout flavors from shared garden taste offerings

Come and enjoy a tasty Greek meal and take on a role with the garden planning group at 630pm on Monday Jan 9 2012 at the social hall at the Community of Christ Church 11507 Scott Road, Bow WA 98232. Call Glen Fishel at 360-757-4559 or Cheryl Willis at 360-766-5099 or email cheryljuno@aol.com for more details.

Active participation allows you to gain so much! We all look forward to seeing you Jan 9th!
