

## NOTICE OF INTEREST SURVEY

Greetings from Cascade Natural Gas Company,

We have had many inquires for natural gas services in the past from you local area. We now have an excellent opportunity to provide the gas commodity at an economical price to you. However, this will take a committed effort by the community for this project to be successful.

Today there are residential & commercial bulk incentives of up to 75% to help off set costs incurred for conversions projects to natural gas. This is on top of any rebates and Tax incentives offered. Please go to [www.cngc.com/conservation](http://www.cngc.com/conservation) & [www.pse.com/Pages/default.aspx](http://www.pse.com/Pages/default.aspx) for more information.

To help us determine commitment levels and approximate costs, please fill out this short survey.

PLEASE NOTE: Completion of this survey **DOES NOT**, obligate you, or your property to CNGC.
