## Rental Overview

The Samish Island Community Center (SICC) is available for rental by Community Club Members on the Island, and to friends of members. Any non-resident who wishes to rent must have a Samish Island sponsor. The 2,000 square foot Center is located at 11292 Blue Heron Road on Samish Island. It includes a large, bright open room with a gas fireplace, a kitchen, entry hallway with closet bar and hangers, a small powder room, and storage areas for tables, chairs and tablecloths. The Community Center capacity is 100 persons.

The Community Center lends itself well to almost any gathering including family parties, weddings, memorial services, holiday gatherings, and meetings. A video-projector and sound system are available for rent for an additional fee. For a list of items included in your rental, see page 8, "Equipment Included with Your Rental".

There is an outdoor grilling area with picnic tables. Wood is not provided for the outdoor grill.

### **Rental Period:**

For each rental day, the Community Center is available to you from 9:00 am the first day to 12:00 am (midnight) of the final day; guests must leave the building by 12:00 am (midnight) each day of a multi-day rental. You may return the key by 8:30 am after the final day. If you need additional setup or cleanup time, please book for an additional day.

### **To Verify That The Center Is Available On The Day You Need:**

Please check the schedule of events at: [http://www.samishisland.net/si\\_communityhall.html](http://www.samishisland.net/si_communityhall.html)

### **To Schedule The Center:**

Phone or email the rental agent listed on the cover of this document. Include the date(s) you wish to rent and a general idea of use (family party, non-profit fundraiser, wedding, memorial service, etc). Island residents' memorial services are not charged a rental fee, but rental paperwork and a Damage Deposit are required.

The rental agent will provide you the address to pick up the key.

## **Required Paperwork:**

To assure your rental, you must send us the items below to the PO Box shown on page 3. All documents should be sent 10 days before your rental date. Item #5, the Banquet Permit may not be required – see details below. Items 1-4 are required prior to picking up the key.

### **1. Signed Rental Agreement**

- Complete the form “Community Center Rental Agreement” at the back of this booklet
- Renter must sign and date the form.

### **2. Check for Rental Fee**

- On the Rental Agreement, select the current hall rental fee that meets your status (member, non-member) and rental needs. If a non-member, include the name of your island sponsor.
- If you require a sound system and/or projection equipment, select the appropriate options on the Rental Agreement.
- Include one check for the total rental fee due.

### **3. Check for Damage Deposit**

- We require a separate check for a Damage Deposit to cover damage to the building or equipment, loss of equipment, cleanup expenses and excessive noise.
- Write a separate check for the total of your deposit from the Rental Agreement. We will not deposit the check and will destroy it if there is no need for it. You may also request its return by enclosing a stamped, self-addressed envelope with a request for its return.
- If there is damage or loss, we will discuss arrangements with you.
- Your damage deposit must be paid before key pickup from the rental agent.

### **4. Proof of Insurance**

- All Community Center renters must include proof of insurance in case of injury or serious damage to the Community Center. Qualifying documents include:
  - Individuals
    - declarations page of your homeowner’s or renter’s insurance policy, with policy dates, or
    - a document from your insurance company indicating you are covered by your homeowner’s or renter’s insurance while using the Community Center instead of your home, due to space limitations of your home. This is a free document.
  - Business or organization certificate of liability insurance naming the Samish Island Community Center as an additional insured.

- Renters with no insurance coverage for the rental or who require a banquet permit (see point 5 below) will need to purchase event insurance. Many websites offer event insurance online. This insurance must include a waiver of subrogation against the Samish Island Community Center for (event description) on (date(s)). Proof of insurance for event insurance is a copy of the policy.

## 5. Banquet Permit/Alcoholic Beverages

- Determination of the requirement for a banquet permit is the Renter's responsibility.
- If the event host is an organization or business entity and liquor will be served and consumed, the host must obtain a Banquet Permit issued by the Washington State Liquor Control Board. Banquet Permits may be obtained on line at <http://www.liq.wa.gov/licensing/banquet-permits>.
- Banquet permits generally are not required if all of the following apply:
  - (1) the host is an individual
  - (2) guests are not charged for admission or anything provided at the function
  - (3) "Charge" includes donations, dues, fees or otherwise
  - (4) the event would normally be held in the individual's private home, but is so large that a separate facility is needed to accommodate it
  - (5) the facility where the event is held is closed to the general public during the event
  - (6) there is no business purpose for the event or any financial gain.

### Cleanup:

Renters are responsible for leaving the Center as they found it, and for cleanup of the Center and surrounding areas (parking lot, barbeque and picnic areas) per the Cleanup Checklist (page 11). The Community Center does not have garbage service; use trash bags in the kitchen to bag your garbage and haul it away. [The Skagit Recycling and Transfer Station](#) is 11 miles away at 14104 Ovenell Road, Mt Vernon. Cost is about \$10 for smaller amounts. There is no charge for recycling drop-off.

**Key Checkout And Return:**

Keys are available from the rental agent once all your paperwork is submitted. Call the phone number on the cover to arrange a time to pick up the key.

You may pick the key up the night prior to your event if the Center is not rented that day.

## Emergency Equipment

### **Fire Extinguishers (3)**

The fire extinguishers are located in the front entry, kitchen and the wall near the doorway to the storage area.

### **Zoll Semi-Automatic AED (Automated External Defibrillator) Plus**

In the event of any medical emergency, renters should first call 911. The Samish Island Volunteer Fire Department generally responds to emergency calls within 5-10 minutes.. Should you deem it necessary, the AED is located on the wall near the doorway to the storage area. Follow the instructions on the unit. Although designed to be used by the untrained user, renters would be well advised to view the instructional videos at this website prior to their event: <http://www.zoll.com/medical-products/automated-external-defibrillators/aed-plus/video/>.

## Gas Fireplace Operation

The gas fireplace can be turned on and off using the small rocker switch on the outside edge of the upper right corner of the faceplate, near the dedication plaque. When first turned on, the flame will be blue in color, but it will change to a yellow/orange color after about 15 minutes. The fan will turn on automatically after about 15 minutes of operation. The fan may cycle on and off a few times, but will eventually stay on continuously. Condensation may appear on the glass when the unit is first turned on; this is normal.

Remember to turn the unit off before you leave. The fan will remain on for a few minutes after the unit is turned off; this is normal.

## Kitchen Equipment Operation Notes

**Bunn Coffee Maker 392:** This machine takes 25-30 minutes to warm up. Then a water-only cycle of the machine needs to be run before brewing coffee, as there may be stale water in the reservoir. **Therefore it is recommended that you start making coffee at least 45 minutes prior to when you want to have hot coffee available.** Full instructions for use are posted next to the unit.

**Dishwasher Overview:** Please load dirty dishware and start the dishwasher before leaving the hall. The next renters will unload the dishwasher. Put soap in the main wash compartment and close. Select the **Normal Wash** button. Check the **Heated Dry** button, **and push it once to toggle it off** - no green light - for safe use and fire prevention. Leave it running; the dishes will dry fine on their own.

Detailed instructions for other equipment are posted in the kitchen.

**For additional questions or problems with Center equipment or supplies,** call any of the people listed as primary contacts on page 3.
